

## Boat Smart<sup>®</sup> Training

*Boat Smart* is a course for all boaters including personal watercraft operators, hunters or fishermen operating an outboard utility boat, canoe and kayak paddlers, skippers of a family cruiser, and sailing enthusiasts. All boaters must follow the same nautical rules, regulations, and courtesies of the sea. The course includes three main sections:

Getting Started: boat terms and types, boat handling, anchoring, water sport safety, personal watercraft

What's Needed: equipment, regulations, law enforcement

Rules To Live By: aids to navigation, navigation rules, adverse conditions, marine radio

Completion of this course meets the educational standards of the National Association of State Boating Law Administrators (NASBLA) and features a proctored examination as required by many states and insurance companies. The course will provide instruction and examination for laws and regulations of state and local authorities in the area where the course is taught. Completion of this course satisfies the licensing requirements of the State of New Jersey.

The *Boat Smart* course is being presented by members of the Shrewsbury Power Squadron, a unit of the US Power Squadron.
